

# EasyLyrics

## **Terms of Licence**

EasyLyrics was created with the utmost care by our programming team. The producer can under no circumstances be held liable for damages or consequential damage, arising from the use or impossible use of the program. The buyer solely bears the risk related to the program's quality and performance. With the installation of the program you accept the licence agreement unconditionally.

The SOFTWARE PRODUCT is not sold but licensed.

You are entitled to install and use the program on a single computer, however not for commercial programming, only for your personal use as an amateur musician. For backup purpose you may produce one single backup copy. You are not authorised to carry out any reverse engineering, to de-compile, to disassemble or in any other way to alter the SOFTWARE PRODUCT.

The SOFTWARE PRODUCT is licensed as a single product for a stand-alone workstation. You are not entitled to separate its components in order to use them on more than one computer or run them in a network.

You are not allowed to rent the SOFTWARE PRODUCT, to lease it or to pass it on to a third party.

The producer is entitled to terminate this agreement without notice in case you break the terms and conditions of this contract. In this case you are obliged to destroy all copies of the SOFTWARE PRODUCT and all its components. The licensee is held liable for all damages inflicted on the producer resulting from a breach of the terms of this contract.

The producer has the proprietary rights, copyrights as well as all commercial use of the SOFTWARE PRODUCT, printed or digital backup material and all copies of the SOFTWARE PRODUCT.

You are not authorised to reproduce the printed material, enclosed with the SOFTWARE PRODUCT, in any way.

If one or more provisions of this licence contract is or becomes invalid, it does not effect the validity of the other provisions. The invalid provision has to be replaced by a provision that is close in content as well a valid.
